## Medication:

Please provide us with details of any medication currently being taken.

Name of medication	Dosage	Frequency

*Please note*

- We cannot administer medication under any circumstances.
- A Doctor's note may be required to demonstrate fitness to take part in the activities.
- We cannot carry out any aspects of personal care or manual handling (including taking players to the toilet or helping them get changed).

**Please note:**

- If your child / ward is new to the session
- If your child / ward is under the age of 7
- If your child / ward requires assistance with personal care  
or
- If your child / ward may exhibit challenging behaviour

**Then you may be required to stay for sessions.**
